Sir, (C)

Ref:G.O.No.Ms.1543 Development dated 23-6-1938.

(B) In G.O.No.Mis.61 Development dated 5th January, 1938 a sum of Rs 125/- was sanctioned for the acquisition of a pathway to the fish-curing yard at Moolky. The amount reserved for the purpose in the Budget Estimate for 1937-38 could not be spent within that financial year as the award could not be passed before 31st March 1938 and no provision could be made in the Budget Estimate for 1938-39 as the information from the Collector was received too late - vide my letter No.345-F/38-3 dated 21st March 1938. The Revenue Divisional Officer, Mangalore now reports that the award en-

enquiry has been posted to 2nd August 1938, he has to pass the award soon after that date and has therefore asked for funds to be placed at his disposal in the South Kanara District treasury expeditiously. The Assistant Director of Fisheries (Coast) has been asked to submit revised estimates for the construction of the yard buildings. On receipt of the estimates, application for necessary funds required towards the cost of the acquisition of the pathway as well as for the construction of the buildings will be submitted to Government.

Meanwhile I have the honour to request that you will be good enough to move the Government to instruct the Accountant-General for permitting the expenditure for the acquisition of the pathway in anticipation of provision of funds in the course of the year as the award has been posted early in August 1938.

I have the honour to be,

Sir,

Your most obedient servant,

B. Sivaram Rao

2. The current year's provision of Rs 100/- under D. Loans relating to the Fisheries Dept. was intended to be utilised for the acquisition of pathway for the fish curing yard at Morkby. Govt Nos 1271 Dev dt 12.5.38 and 1720 Dev dt 16.7.38, loans have been sanctioned which are debitable to the above head, and the A.G. was asked to act disburse the loans pending provision of funds under the above head. In the circumstance it does not seem necessary to ask the A.G. to admit this expenditure in audit on account of the acquisition of pathway at Morkby, pending provision of funds.
